## ASSESSMENT CLINICS/LEVEL PLACEMENTS: LEVEL / TEAM PLACEMENTS:

JXA strives to make the tryout and level placement process transparent, smooth, and EASY!

**Assessment Clinics** - Assessment clinics are not required but provide an opportunity to work with our staff, get comfortable in the facility, and get advice on what skills athletes should perform during their level assessment.

**Level Placements** - The level placement process is designed to be as stress-free as possible. Athletes will demonstrate their jumps and tumbling for level placement. Please view our rubric to see what skills are in each level.

Following level practice weeks, staff will determine team placements with the highest success of the season in mind. Each athlete will be placed on a team regardless of experience.

Team placements may be adjusted throughout the year based on athlete performance and team needs.

*Athletes may be asked to be a cross-over or be an alternate. This does result in additional fees so you we always ask first.*

*Crossover = Participate on two teams*

*Alternate = Potential fill-in for another team.*

# ATHLETE SIGNING DAY

MAY 24TH

Signing day is not a MANDATORY event but is highly encouraged. Athletes will get their practice gear, sign the acceptance of a position on the team, and ensure they and their families have joined the Team and Gym Band.

Athlete signing day is a fun experience for all athletes as they get to meet their official teammates, get great photos, and overall capture the fantastic excitement of being placed on the teams they will find success on all season! It will be a party!

## SCHEDULE:

Novice - 1 pm - 2 pm  
Tiny P&P - 3 pm - 4 pm

## PARENTS ON SIGNING DAY:

Additionally, we want you to take part in the process, Celebrate your athletes placement, join all of the team Band groups so you do not miss out on communication, and ensure all of your contact information is correct. Signing day is the first step in being fully set up for success all season!

*\*Athletes who have not completed paperwork, have a card on file, and made their tuition/installment payment will not be allowed to practice.*

# ATTENDANCE

## **PRACTICE:**

All teams will have set practice days which typically remain consistent throughout the season and are only changed based on certain circumstances. Practice days and times will be set following team placements.

Attendance is crucial to the success of any team. Every athlete will be allowed four absence/missed practices per season starting on Sept 1st. Every unexcused absence following will risk losing spot(s) in the routine. It will be at the discretion of the Program Director to grant exceptions for extenuating circumstances.

## **VACATIONS:**

Please work to plan your family vacations around the gym schedule whenever possible, we work hard to give you the gym closures early. If you are taking a vacation for spring break, try to take it the week we are closed so you do not interfere with your team.

When the competition schedule is released, please understand that this is what the entire team works for all year and an absence/miss the week of an event is detrimental to the team, and may result in your athlete being replaced for that event.

## **SUMMER SCHEDULE:**

**Closure Dates:**

July 3 & 4th

May 21st- May 23rd- Evaluations/Team Placement

June 22nd - July 6th - Summer Break

July 15th - Uniform Fitting

Sep 5th & 15th

Nov 25th- Nov 27th

Dec 18th-Jan 3rd

September- 3 times a week, practices begin for Elite Teams, and practices are mandatory.

# ATHLETE POLICIES

---

## REQUIRED CLASSES:

In order to ensure the most comprehensive training and appropriately leveled competitive teams, it is required that some athletes take additional classes. The cost of these additional classes will be the responsibility of the athlete's family but will be assessed at the discounted rate for Jungle Xtreme Athletics team members.

### Tumbling

If the athlete is not meeting the medium range requirements for tumbling in accordance with the JXA Rubric, the athlete will be required to enroll in either one tumbling class per week OR two monthly privates through JXA until that athlete is within range for tumbling.

### Flyers

All flyers are required to attend one weekly flexibility class at no additional cost to the athlete for the duration of the season.

If the athlete is a flyer and is unable to perform the stunting/flexibility skills within the teams' choreography, the athlete will be required to enroll in either one flying/flexibility class per week OR two monthly privates with a stunting coach through JXA.

## INJURIES:

If an injury should occur, it is the responsibility of the parent to seek professional help. A physicians evaluation/documentation of the athletes injury and/or status must be provided to the coach. An athlete with a serious injury will only be allowed to return to activity with a release form from a medical professional. Please notify head coach of any injury that requires medical attention prior to seeking medical attention.

## UNIFORM / ATTIRE:

JXA clothing and uniforms must be kept in good condition. Please report any lost or damaged uniform items to your coach. The cost of replacement will be the responsibility of the athlete.

Athletes are required to wear assigned practice clothing and bows to each practice. Athletes cannot have any piercings and or jewelry in for practice or competition. Please be mindful of this when thinking of getting new piercings. Band-aids and clear space holders will not make the piercing permissible.

## TRAVEL COMPETITIONS:

During the competition season, athletes are required to travel to events. Some athletes will travel to national events out of the state. In this case, a separate rule sheet is handed out closer to the time of the competition. Transportation to competitions is the responsibility of each athlete and their family.

## END OF SEASON EVENTS

End-of-season events are an expected part of joining an Elite Team. Classic teams that receive bids may elect to go to end-of-season events.

26-27 elite teams receiving At Large or Paid bids to All Star Worlds WILL attend those events.

# PARENT POLICIES

---

## COMMUNICATION:

Here at JXA it is vital that you remain up to date with all gym & team updates. As a parent, you will receive information in several ways.

JXAs main form of communication is through the BAND app. Each Athlete will be assigned to THEIR team only! This app will keep you updated on any closures, changes, and more.

Please make sure you are on the band so you do not miss any vital information that is given out!

## PARENT VIEWING:

Our parent viewing room is open for your viewing pleasure but is a privilege and will be treated as such. Please refrain from negative talk about athletes and coaches. Please do not approach any of our coaches or athletes during practice. You can set up a meeting with the gym manager. This should be a place to enjoy and share your athletes experience. **NO GOSSIP ALLOWED!**

## COMPETITION ETIQUETTE:

JXA prides itself on excellent parent dedication and support. It is encouraged that all parents sit together and cheer on our teams at competitions. JXA must show respect to all athletes and teams competing, as well as other parents and coaches.

## ATHLETE / PARENT HANDBOOK:

JXA's Athlete/Parent Handbook contains all of the rules and guidelines for both the athletes and parents that participate on any team at JXA.

It is integral that each family familiarize themselves with these guidelines to avoid any issues throughout the season.

## DISCIPLINE:

**1st Violation-** A meeting with the athlete defining the problem.

**2nd Violation-** A meeting with the athlete and the parents.

**3rd Violation-** The athlete may be removed from the team or the entire program.

JXA reserves the right to remove athletes from the program for serious violations of our rules and expectations including but not limited to bullying, substance abuse, social media conduct, and toxic behaviors.

## FUNDRAISING:

JXA offers individual fundraisers where all credits will be credited directly to the athletes' account. The offered fundraisers involve extra work outside of cheer but has historically helped athletes struggling with costs.

Any surplus in fundraising credits can be applied to Classes, Teams, and Merchandise. Refund checks will not be issued in the event of a surplus.

## TRADEMARK NOTICE:

The logo of Jungle Xtreme belongs to the owners of the program. Recreation or selling of the JXA logo is not permitted. This includes but is not limited to; team names and any likeness to the logo, affiliation, and or program without the permission of Jungle Xtreme Athletics!
